Hello, Greetings for the day! Hope you are doing well!

It gives me immense pleasure to introduce you to **KMV Agrotech & Engineering Works**, the **successor to the esteemed Roorkee Industries**. In light of the closure of Roorkee Industries due to unforeseen circumstances, **KMV Agrotech & Engineering Works** stands as a symbol of continuity and excellence within the industry. With a heritage focused on the **Manufacturing and Trading of a diverse range of Scientific, Hydrological, Meteorological, Agricultural Research, Geological, Geographical, Geophysical, Mathematical, and Survey Instruments**, we carry forward the principles and proficiency that characterized Roorkee Industries. Our commitment remains steadfast to serving our clientele with unparalleled dedication and integrity, providing instrumental solutions that meet their evolving needs.

We recognize the paramount importance of accurate instrumentation across diverse industries. Whether it involves measuring environmental parameters, conducting agricultural research, exploring geological formations, or executing precise surveying tasks; our instruments are meticulously designed to meet the rigorous demands of modern scientific exploration and analysis.

Through the Government e-Marketplace (GeM), our products are readily accessible for procurement, offering buyers streamlined access to our comprehensive catalogue. This ensures efficiency and transparency in procurement processes, aligning with our commitment to supporting government initiatives by making our products available on this esteemed platform. **Additionally, we offer repair, servicing, and calibration of various scientific equipment such as Pressure Plate Apparatus, Suspended Solid Analyzers etc.**

Our distinct factor is not only the quality of our instruments but also our unwavering dedication to customer satisfaction. **We cordially invite you to explore our range of instruments and experience the firsthand difference that precision and reliability can make in your endeavours.** Whether you represent a research institution, government agency, educational organization, or private enterprise, we are steadfast in our commitment to being your trusted partner in scientific exploration and analysis.

Thank you for considering KMV Agrotech & Engineering Works. We eagerly anticipate the opportunity to serve you and contribute to the advancement of your objectives.

Warm regards,

Er. Vivek Gupta

KMV Agrotech & Engineering Works

(Successor Organisation of M/s. Roorkee Industries)

An ISO 9001: 2015 Certified Company

**Manufacturing and Trading of
Scientific, Hydrological, meteorological,
Agricultural Research, Geological, Geographical,
Geophysical, Mathematical & Survey Instruments.**

CORE SPECIALITY AND ACCESSIBLE EQUIPMENTS

Hydrological

- Digital Water level recorders
- Stage level Recorders
- Water Current Meters
- Water Level Indicators
- TLC Meters
- Pressure Transducer
- Suspended Solid Analyzer
- Multi Parameter Water Quality Probe
- Bed Material Sampler
- Radar Based Velocity Recorders
- Surface Velocity Radar
- Discharge Flumes
- Rainfall Simulator etc.

Meteorological

- Fog Collectors
- Stevenson Screen
- Sun shine recorder
- Anemometer
- Rain Gauges
- Evaporation Pan
- Weather Stations
- Light Meter & Sensors
- Wind Vane
- Dew Gauge
- Lux Meter
- Hygrograph
- Thermograph
- Thermohygrograph
- Aneroid Barograph & Barometer
- Whirling Psychrometer
- Thermometers - Soil, Maximum, Minimum, Dry Bulb, Wet Bulb, Water, Grass & Infrared etc.

Agricultural Research

- Tensiometers & Lysimeter
- TDR/FDR/ Suction based Soil Moisture Meters & Sensors
- Penetrometer
- Digital/ Manual Soil Testing Kit
- PH, EC, TDS, DO Meters
- SPAD Chlorophyll Meters
- Soil Thermometers
- Guelph & Lab Permeameter
- Pressure Plate and Membrane Apparatus
- Hydraulic Conductivity measuring equipments
- Thermal Properties Analyzer
- Soil Colour Charts
- Wet Sieving Apparatus
- Yodar Apparatus
- Gyrotory Sieve Shaker
- ET Gauge
- Keens Cups & Soil Cups
- Bulk density Apparatus
- Soil Augers, Samplers & Borer
- Infiltrometer - Tension, Mini Disk, Dual Head, Double Ring & Turf Tec etc.

Scientific, Mathematical & Survey

- Auto Level - Auto, Dumpy & Engineers
- Theodolite - Optical & Transit Vernier
- Levelling Staff and Ranging Rods
- Plane Table survey equipment's
- Rebond Test Hammers
- Laser Distance Meter
- Laser Range Finder
- Haga Altimeter
- Hypsometer
- Digital Altimeter
- GPS
- Digital Planimeter
- Height Gauge
- Mirror Stereoscope
- Tapes and Chains
- Abney Level
- Drawing Boards
- Cross Staff
- Telescopic Alidade
- Compass - Brunton, Compro, Suunto, Clinometer, Magnetic & Prismatic etc

Geological, Geographical, Geotechnical and Geophysical

- Topographical Maps
- Geological & Geographical Maps
- Rocks, Minerals, Ore - Samples & slides
- Geological Models, Folds & Faults
- Magnifying Lenses
- Rock and soil Colour Book
- Electronic and Gravity Balance
- Mohs Hardness Kit & Streak Plates
- Geological Hammers
- Microscopes
- Clinometer and Brunton Compass
- Range Finders
- Tree Calipers & Diameter Tapes
- Increment Borers
- Geotechnical Survey Kit
- Haversack Geological Bags
- Rhotometers
- Aerial Photograph
- Satellite Imageries and Data
- Seechi Disk

We also offer repair, servicing, and calibration of scientific equipment such as Pressure Plate Apparatus, Suspended Solid Analyzers etc.
